WORK EXPERIENCE

Talent Acquisition Manager - Halcyon Software

Jan 2021 - Present

- Leads a team of six recruiters delivering 280 hires a year across engineering and product.
- Cut median time-to-hire from 52 to 31 days by redesigning the interview loop.
- Introduced structured scorecards and interviewer training, improving offer-accept rate to 84%.
- Raised the share of women in engineering hires from 19% to 31% over two years.

Senior Recruiter - Beacon Staffing Solutions

Jul 2016 - Dec 2020

- Handled niche technology mandates for BFSI and product clients.

PROJECTS

Interviewer Certification: Designed a three-module interviewer training programme, 120 interviewers certified.

Referral Revamp: Restructured the referral scheme; referral hires grew from 12% to 27% of intake.

EDUCATION

MBA, HR - Loyola Institute of Business Administration, Chennai, 2016

B.Sc., Computer Science - Madras University, 2014
